The Druid Hills Patrol is REAL police protection
Your membership = more police patrols

Local police departments are understaffed, but the DHP increases our police protection. For 21 years, DHP officers’ ONLY assignment has been to deter crime and respond to emergencies in the DHP coverage area.

Our off-duty City of Atlanta & DeKalb County Police officers:

• Patrol 8 hours per 24-hour period in the DHP vehicle
• Wear full police uniform and equipment
• Maintain direct contact with APD and DKPD 911
• Have full emergency powers including arrest
• Provide vacation and special security visits to members' homes
• Perform home security assessments
• Give special attention to members' homes, which are identified with a DHP yard sign
• Document their patrol activities

Dues are $395 per year—only $1.08 per day—for a home!
Rates are lower for townhomes and condominiums.
Membership is renewed annually in December.

The DHP is a nonprofit 501(c)(4) organization managed by a group of volunteers who are your neighbors.
